Guest Speaker: Fred Polak

Fred Polak is the child of Dutch Holocaust survivors, Jaap (Jack) and Ina. His parents' love story began in a concentration camp and endured for decades. The love letters they secretly exchanged strengthened them during a time of untold hardship. Jack's letters, which miraculously survived, became the basis for a book and inspired the award-winning documentary, "**Steal A Pencil For Me.**" Fred continues his parents' commitment to Holocaust education and will speak about the lessons to be learned from the Holocaust. Excerpts from the movie will be shown.
